General Information

This document contains a mixture of both global and departmental policies and procedures. Not all of the “unwritten” policies and procedures have made their way into this document, and each department may have some of their own policies that are not yet recorded. This is a living document and shall change from year to year as needs and goals change.

Policies are organized by Department and not by Executive Team member. The addendum has some sample forms and a few policy explanations.

Policies (Additions, Deletions, and Modifications): Any ConCom member of the current Norwescon may request a policy change. The ConCom member must present a proposal in writing to their Exec Team member and the Chair. It shall be reviewed and voted on by the Exec Team.

Definitions

Throughout this document the following definitions are used. Chair = Chair of Norwescon

ConCom = Convention Committee Exec Team = Executive Team

Vice-Chair = Vice-Chair of Norwescon GoH = Guest of Honor

Volunteer = a convention member who volunteers time at the convention

ConCom Member, Staff Member = a volunteer who meets the criteria for a staff membership and who has registered as staff for the current year

Exec Team Member, Exec = a ConCom Member who is a director appointed by the Chair and Vice-Chair.

Stages and Structure

Norwescon consists of three stages: planning (the time prior to the convention), the convention itself, and post-con (the time between the end of the convention and the election of new officers).

POLICY: Contract Signing Authority: The Chair, Vice-Chair, Business Director, and Convention Services Director shall be designated to the hotel as the only persons who have signing authority to the hotel contract during the convention. Additional people may be named at the discretion of the Chair.

Starting and Ending Periods for Convention: The actual starting time of the convention shall be the Wednesday prior to the published date of the convention at noon or hotel move-in time, whichever comes first. The closing time for the convention is on the Monday following the published dates of the convention when moving out of the hotel and the storage of all Norwescon properties has been completed.

POST-CON TURNOVER

POLICY: E-Mail Turnover: The incoming Chair and Vice-Chair must review the convention's email routing upon election and adjust accordingly.

POLICY: Mailbox Turnover: After the announcement of the newly elected officers, the Secretary must ensure that someone continues to pick up the mail or accept all forwards from the mailbox during the summer months. If immediate arrangements for mail handling cannot be made, the keys to the mailbox shall be turned over to either the newly elected Chair or Vice-Chair and the mail forwarding address shall be updated as soon as possible.

POLICY: Voicemail Turnover: The incoming Chair and Vice-Chair must make sure that the Google voicemail transcription email forwarding is adjusted accordingly as soon as possible after the election.

POLICY: Document Turnover: After new Execs are appointed, any outgoing Exec shall turn over all documents to either their replacement or to the incoming Chair and Vice-Chair no later than 7 days prior to the Exec Retreat.

POLICY: Web Password Turnover: The Publications Director or their designee shall maintain a list of the login and password information for all online accounts and services (website, e-newsletter, social media sites, etc.). This list will be provided to the Chair and Vice-Chair as soon as possible after the election.

POLICY: Bank Accounts Turnover: The bank accounts shall be turned over to the new Business Director and/or Treasurer as soon as possible after the new Business Director and/or Treasurer has been appointed. The outgoing Business Director shall have full access to the accounts until the books are closed for the convention year.

POLICY: Purchase Card Turnover: All Purchase cards shall be turned over to the new Business Director as soon as they have been appointed. The cards shall be reviewed and reissued at the discretion of the Business Director.

POLICY: Computer and System Codes and Passwords Turnover: A copy of all computer and system codes and passwords for Norwescon-owned computers shall be submitted to the Business Director and the Vice-Chair to ensure that the convention shall have access to all convention-owned

data. This list shall be updated and given to the Vice-Chair and Business Director by the last regularly scheduled ConCom meeting before the convention.

POLICY: Storage Unit Access Codes and Keys Turnover: A copy of all necessary access codes and keys shall be kept by the Business Department so that the Business Department may maintain storage unit access for Norwescon if needed during the year and in the event of turnover of the personnel in charge of the storage units.

Timeline

The timeline is maintained at the discretion of the Chair and Vice-Chair, who may delegate the responsibility as appropriate.

The timeline shall be ready by the first general ConCom meeting in September. The timeline shall be available online and updated as needed.

Exec Team and ConCom Voting

POLICY: Voting by Proxy for Exec Team: There is no proxy voting for Executive Team Members. All items that come to vote during official Executive or ConCom Meetings are on a majority vote of the Executive Team Members present.

POLICY: Voting by Proxy for Convention Committee: There is no proxy voting in the general ConCom meetings. All items that come to a vote, other than elections, are on a majority vote of the ConCom members present (see Chair - Elections).

POLICY: Ties for Convention Committee Votes: In the case of a tie, a revote will be taken. If there is still a tie, the Executive Team shall vote on the issue.

POLICY: Ties for Executive Team Votes: In the case of a tie, a revote will be taken. If there is still a tie, the Chair shall make the final decision.

POLICY: Executive Team voting by Email: Any member of the current Exec Team can propose a motion for voting by email.

PROCEDURE: The exec proposing the motion must send an email to norwescon-exec@googlegroups.com. The subject line must start with the word "MOTION". The body of the email must include the specific wording of the motion and include either the necessary information for the motion to be evaluated or a link to where the necessary information can be found on the Google Docs storage site.

The Exec Team may then respond to the motion, whereupon there may be discussion, revisions, or questions. If there are significant changes, the motion should be resubmitted. If there is not significant discussion, another Exec may second the motion.

The Chair or Vice-Chair decides when to move the motion to a vote. A new email is started with the word "VOTE" beginning subject line. The body of the message shall include: the person who proposed the motion, the person who seconded the motion, and the exact wording of the motion. It shall also include the start and end time of voting, which shall be no more than 72 hours or until all members have voted.

Whenever possible, voting should not occur ONLY over the course of a weekend, and courtesy should be given to known vacations, unless the matter is urgent.

When the voting period has elapsed or all votes have been cast the motion is evaluated. If quorum is met, the votes cast determine the outcome. If quorum is not met, the motion fails. A new motion can be made on the same subject but must begin the process from the beginning to be considered.

As further defined under Secretary: Minutes Preparation, meeting minutes approval votes may be called by the Secretary without requiring a second.

Executive Team Responsibilities

POLICY: CONFLICT OF INTEREST

A potential conflict of interest arises when Norwescon contemplates entering into a transaction with an entity in which a member of its Exec Team, or their immediate family, has a financial interest. “Financial interest” means that the Exec Team member, or their immediate family, is an owner, investor, contractor, or employee of the entity in question.

When this situation arises:

- The Exec Team member(s) must disclose the existence and nature of the financial interest to the other members of the Exec Team.
- After answering any questions that arise, the Exec Team member(s) with a financial interest must leave the room while the transaction is discussed and voted on. The remaining members of the Exec Team should consider:
 - Whether an equivalent transaction is available with reasonable effort at a lower cost to Norwescon.
 - Whether additional time is needed to investigate options or circumstances related to the transaction.
- The Exec Team may approve the transaction by a majority vote of the remaining Exec Team members.
- The minutes of the Exec Team meeting should reflect the name of the Exec Team member(s) involved, the nature of this potential conflict of interest, and whether this policy was observed.

E-MAILS

POLICY: When conducting business on behalf of the convention, the use of assigned convention email aliases is encouraged (for example: chair@norwescon.org). ConCom members with assigned convention email aliases are expected to publicize convention email aliases rather than their own personal addresses in order to receive messages.

POLICY: All convention email aliases shall have at least two addresses to forward to: a primary and a secondary.

The primary is expected to respond to the email. Email should be read daily and responded to within 48 hours. If the primary is unable to respond daily, the secondary is responsible for responding. The primary shall notify the secondary responder and other Exec Team members if they will be unable to respond to email at least daily.

When responding to these emails, the e-mail alias should be either CC'd or BCC'd so that all people on the forwarding address can see the response.

CAN-SPAM COMPLIANCE

POLICY: Promotions for Norwescon and Norwescon-sponsored events fall under the CAN-SPAM Act. Accordingly, Norwescon is responsible for ensuring that individuals are not contacted via email and text if they have not given permission to be contacted using those methods.

As we do not have a centralized database the following procedures are necessary:

1. When a request to be removed from a list comes in, the person administering the list is responsible for the following two actions:
 - a. Removing the individual from the list(s) that they asked to be removed from.
 - b. Sending the individual a follow-up message indicating that they have been removed from the list(s) and asking them if they want to be removed from ALL Norwescon lists (eNewsletter, Google Groups, registration, etc.).
2. If a person requests to be removed from ALL Norwescon lists, the person receiving the request will forward the request on to their Exec who will then send the request to all of the other Execs on the Executive Team. The Execs will then send the request to their departments that have contact lists (Dealers' Room, Art Show, Registration, eNewsletter, Art in Action, Games, etc.).
3. Documentation of these requests will be saved by the Publications Director and passed along to the Chair at the post-con meeting.

Exec Team members shall subscribe to the official Norwescon Exec Google Group and the Norwescon ConCom Google Group.

HIRING CONCOM MEMBERS

POLICY: It shall be each Exec Team member's duty when hiring and onboarding an individual for a position to advise them of the need for the Secretary to have their contact information and about our information publishing policy (see Confidentiality of Information).

It is the responsibility of the hiring Exec Team member to ensure that their staff register as staff members.

POLICY: It is the responsibility of the hiring Exec Team member to recommend that each ConCom member review the Norwescon Bylaws and Policies/Procedures and to refer them to the Secretary for the location of the electronic version. It is expected that ConCom members read these within a couple of weeks of joining each year's ConCom.

POLICY: It is recommended that all ConCom and volunteer positions have job descriptions recorded by the Personnel director. Job descriptions should be reviewed and updated by the October ConCom meeting. It is the responsibility of each Exec to supply this information for all positions in their department to the Personnel director.

RECRUITMENT / TRAINING / LEADERSHIP

POLICY: Everyone in a leadership position is recommended to have at least one assistant in training to take over that position.

Executive Team Members are official ambassadors of the convention.

CONFIDENTIALITY OF INFORMATION

POLICY: Norwescon shall not supply information contained in the organizational chart, the membership database, the pro/panelist database, or the committee directory to other parties without the consent of the ConCom member(s) involved.

POLICY: Norwescon shall not rent, share, disclose, or sell its ConCom member information to outside parties.

POLICY: Norwescon shall not rent, share, disclose, or sell its membership information to outside parties.

Any third-party services used by Norwescon shall be opt-in and shall have the ability to opt-out. No ConCom or general membership information will be provided to any other party.

ONIONS AND ROSES

POLICY: The Secretary shall collect Onions and Roses (comments regarding concerns or compliments from the convention membership) from the Onion and Roses panel and other methods as deemed appropriate (physical survey forms, email, web forms, social media, etc.). A compiled report shall be provided to the Exec Team no later than the Exec Team Summer Retreat/Planning Meeting.

It is the responsibility of the Exec Team to review the compiled Onions and Roses report and present it to the ConCom.

CONFLICT RESOLUTION

POLICY: If two Exec Team members (other than the Chair) cannot reach a mutual decision on any issue, then the Chair has the final decision.

POLICY: ANTI-RACISM STATEMENT

Because inequality and bias pervade our culture, it is not enough to passively avoid discrimination. To uplift marginalized voices in our community and advance equity and justice, we must be antiracist. To combat inequality, we commit to the following:

- We affirm that Black lives matter, Indigenous lives matter, and the lives of people of color matter.
- We will take actions that support and uplift marginalized voices in our community and advance a more equitable and just society and ask our members to do the same.
- We will actively recruit diverse voices to participate in the convention and other educational activities and the planning of the convention and those activities, and then empower, not tokenize, those voices.

- We will critically examine our history, traditions, and privileges and question how they impact all members of our community.
- We will consider how Norwescon’s educational activities and charitable giving can be leveraged to advance the principles described in this statement.
- We welcome dialogue about these principles and being held accountable when we fall short of them.

As a volunteer organization, we are strongest when all hands come together constructively to improve our community.

POLICY: CODE OF CONDUCT

Norwescon is a safe and welcoming space for persons of all backgrounds and descriptions. Everyone should have a great time in their own way at the convention—but not if it comes at the expense of others. As a community, we insist on behavior that respects the autonomy of each individual member.

To help ensure an enjoyable experience for all, we expect you to abide by the following guidelines. Norwescon will take appropriate action to enforce our code of conduct at all of our meetings and events.

- Be respectful of others. This includes the members, program participants, volunteers, convention staff, and venue staff.
- Do not display potentially offensive images or symbols in public spaces, or in your background in the case of virtual participation. This includes images which are sexually graphic, or which carry connotations that are historically or racially offensive, including bigoted iconography or symbolism.
- Do not record any convention content without prior permission from Norwescon.
- Keep all content appropriate for all ages unless you are participating in an area or activity explicitly labelled as 18+.
- Comply with applicable laws, regulations, and the policies of Norwescon as described in the Membership Guide.
- Commit to behavior that uplifts marginalized voices in our community and advances a more equitable, just society.

POLICY: HARASSMENT POLICY

Norwescon members, volunteers, and convention staff have the right to be free from harassment in all convention contexts, in person and online, throughout the year. We do not tolerate harassment of any kind, nor discrimination based on age, race, class, gender, gender expression, sexual orientation, religion, ethnicity, national origin, or disability.

Harassment is behavior which focuses unwelcome attention on a person or group and inappropriately crosses reasonable social boundaries or continues after a showing of disinterest or a request to stop. An explicit “no” or “stop” is not required.

You are an active participant in upholding this community standard. As a member, staff, or volunteer, you accept the responsibility to respect others and maintain safety. When you feel safe and

comfortable doing so, please call out inappropriate behavior and remind others of our community expectation of respectful behavior.

Chair

CHAIR'S RESPONSIBILITIES

The Chair must consider themselves on 24-hour duty. The Chair is strongly advised against the use of any substances that would cause intoxication and should use discretion if doing so. The Chair should not appear publicly intoxicated at any time. If they do so they may be removed from duty at the discretion of the Convention Services Director for such time as necessary for the Chair to recover. In the case that the Chair is unable to perform their duties the Vice-Chair shall assume all responsibilities as outlined in the policies.

The Chair's primary responsibilities during the convention are to meet and greet guests and attendees of the convention. They should make appearances at minimum to the opening and closing ceremonies, P.K. Dick Awards, Onions and Roses panel, Guest of Honor and Lifetime Member event, and preside over the Lifetime Membership awards if applicable. At these events, the Chair must be prepared to speak and is strongly advised to have prepared notes or a speech. If for some reason the Chair cannot attend one of these functions they may appoint a proxy. It is strongly advised that the Vice-Chair be asked to proxy as well as attend these events. The Programming Director should notify the Chair of any other events that the Chair should attend.

The Chair shall make themselves available for all "midnight" meetings or meetings with the hotel as requested by the Convention Services Director. The Chair shall be available to the Programming Department and its director for consultation or to help resolve problems occurring with any Guest of Honor or professional guest as needed.

Prior to the convention the Chair and Vice-Chair shall meet to discuss and come to an agreement about the Vice-Chair's role and responsibilities during the convention. It is recommended that the Vice-Chair be included when possible in decisions arising from unforeseen events.

MEMORABILIA ARCHIVE

POLICY: Norwescon shall maintain a memorabilia archive.

PROCEDURE: Departments that have items to be placed in the archives should contact the convention historian after each convention. Examples of items to be archived include the program book, pocket program, name tag samples, progress reports, post-convention report, web page printouts, Masquerade video, and names of any award winners from the Art Show, Philip K. Dick Award, Lifetime Memberships, Masquerade, Games, etc.

SPECIAL BADGES

POLICY: Norwescon may create special badges as necessary, including gold/silver name badges, back hall passes, press passes, etc.

PROCEDURE: Back hall passes may be created and made available to volunteers and convention staff that need access to the back hallways. The hotel employees use the pass as an identifier to know the person is allowed in the kitchen hallways. Gold or Silver Name Badges may be created for the Exec Team and those designated by the Chair and/or Vice-Chair. Badges shall be either gold or silver and shall include the designee's name, their position/title, and "Norwescon". Badges to be re-used annually

listing only a title and “Norwescon” but without an individual designee’s name may be made at the discretion of an Exec team member.

CHARITABLE DONATIONS

POLICY: Norwescon may choose to donate to local, state, or national charities that reflect the interest of the science fiction community.

PROCEDURE: The Chair and Vice-Chair are responsible for selecting the charitable organization(s) that may receive a donation on behalf of the membership.

ELECTIONS

DEFINITIONS

ELECTION CYCLE: The “Election Cycle” is defined as starting with the last regularly scheduled ConCom Meeting closest to but no less than 10 days prior to the start of the current convention. It ends with the Post-Con Meeting for the current convention.

ELECTION DATE: The “Election Date” is defined as the last day for which ballots shall be accepted, normally the date of the Post-Con Meeting of the current convention.

VOTER ELIGIBILITY

POLICY: ConCom members may opt-in to voting during the staff registration process. A valid email address must be included with staff registration to guarantee the opportunity to vote.

ConCom members must complete registration as staff not less than 28 days prior to the start of the current convention to guarantee voting privileges. ConCom members who have registered to vote who do not meet any or all of these criteria may be removed from the eligible voters list.

CANDIDATE ELIGIBILITY / NOMINATIONS

POLICY: All candidates for all positions must have held a position on the Norwescon ConCom within the past five years.

Nominations open at the second-to-last ConCom meeting before the start of the current convention provided this meeting is at least 30 days before the convention starts. Nominations close at the last ConCom meeting before the start of the current convention provided that it takes place at least 10 days before the convention starts. Nominations may be made at ConCom meetings or by email to the Election Committee. All nominations must have a second.

Candidates may make an optional two-minute presentation at the ConCom meeting scheduled closest to, but not less than 30 days prior to the start of the current convention, and at the ConCom meeting scheduled closest to, but not less than 10 days prior to the start of the current convention. There may be a question and answer period at this time. There may also be an additional statement/question and answer session at the Post-Con Meeting if the Elections Committee feels it is warranted.

BYLAW CHANGES

A bylaw change may be proposed by any ConCom member. To be considered on the ballot, a bylaw change must be proposed in writing before the first opening of nominations. The exec team may waive

this requirement by majority vote. The elections chair may assist a member in writing a bylaw change in a format so that voters can easily understand the change being proposed.

BALLOTS AND VOTING

Voting is conducted online using a secure voting system. Ballots should be emailed to all eligible voters at least 30 days prior to the election date, and must be emailed no later than 21 days prior to the election date.

If the ballots cannot be emailed 21 days prior to the election date (due to meeting schedules or other factors) the Election Chair shall propose to the Exec Team by the January meeting of the current convention year a modified schedule for Elections taking the convention timeline into account. Upon approval by the Exec Team, the modification will apply to the current convention only.

The ballots must include:

- General Election information
- Candidates' statements and email addresses
- An individualized link to a secure online voting system.

All ballot results shall be reviewed and validated by the Election Committee. The Election Committee shall consist of at least three people. The Chair shall appoint the Election Chair who shall then recruit the other committee members.

Polls should close on the day of the post-convention meeting and must close by the end of the post-convention meeting. The Election Chair determines when and where the Elections Committee shall review and validate the election results. The winners must be announced at the social following the post-convention meeting and then subsequently by electronic mail announcement.

QUORUM DETERMINATION

POLICY: Before the votes are counted, it must be determined whether the election has reached quorum and is therefore valid. If quorum has not been met, up to 24 hours of extra time may be allotted at the discretion of the Elections Committee Chair to gather more ballots. At the end of that time, if quorum has still not been met the election is declared invalid. A re-vote is then run.

VOTE COUNTING

PROCEDURE: Physical ballots are opened and votes counted in secret by the Elections Committee. For the first counting of votes one person announces the votes while the others tally the votes, the tallies are then compared. The counting is then done again, with another person announcing the votes, vote counts must match. Once reconciled, tallies of physical ballots are combined with the tallies of all electronic votes to determine the result. In case of a tie in any one race or discrepancy in vote totals, the votes for that position are counted a third time, with the third person announcing the votes.

TIES

POLICY: Ties for Elected Officers: If there is a tie in any race, the candidates are given 48 hours to decide if they wish to proceed with a re-vote. The only option for any candidate is to continue their candidacy or withdraw. No random mechanism (coin flip, dice roll, etc.) may be used to decide the

winner. If only one candidate decides to continue at the end of that period, the position will go to that candidate. If there is more than one candidate that wishes to continue their candidacy, a re-vote will occur.

POLICY: Ties for GoH Selection Committee: If three or more candidates are tied for the GoH Selection Committee positions, those candidates are given 48 hours to decide if they wish to proceed with a re-vote. The only option for any candidate is to continue their candidacy or withdraw. No random mechanism (coin flip, dice roll, etc.) may be used to decide the winner.

Withdrawals, if any, will be accepted in the order received until only two candidates remain. Those two remaining candidates will serve on the GoH Selection Committee. At the end of the 48-hour period, if more than two candidates decide to continue, a re-vote will occur with all candidates.

RE-ELECTIONS

POLICY: In the case of not reaching quorum, the election for all positions is re-run with the same candidates running again if they choose to continue, as per the Bylaws, Section Two.

POLICY: In the case of a tie, if the tied candidates decide to proceed, the election for that position is re-run with the tied candidates running again, as per the Bylaws, Section Two.

PROCEDURE: In both cases, candidates will be asked for revised or additional candidate statements if they wish to supply them. The re-vote is conducted electronically only. Ballots must be emailed within 17 calendar days from the invalid election or tie. The deadline for closing online voting shall be at least 10 business days from the date of mailing of ballot materials to voters. Within 7 calendar days of the re-vote deadline it is determined whether quorum has been reached and, if so, the votes are counted and the winner announced. This process is repeated until there is a quorum and a winner.

See Addendums for sample election forms.

LIFETIME MEMBERSHIP

SELECTION

POLICY: A Lifetime Membership is an award given at the Chair's discretion.

PROCEDURE: As a general guideline, the award is presented to someone who has been a positive influence on Norwescon for a notable period of time.

The Chair may ask for suggestions from the Exec Team or the entire ConCom. If the award is given, the recipient should be chosen no later than one month out from the convention.

A plaque is awarded with the following text: "A Lifetime Membership Presented to <name> in appreciation for many years of faithful service. The Norwescon Committee. Norwescon <##>, <date>."

MASTER LIST

POLICY: Norwescon shall maintain a list of Lifetime Members and make it available upon request with the approval of the Chair.

PROCEDURE: Registration shall maintain a master list of Lifetime Members and shall include the same information for Lifetime Members as it does for the rest of the membership (for example: name,

address, phone, email, etc.). It will be turned over to the following year's Exec Team upon completion of the election cycle.

TRANSFERRING REGISTRATION

POLICY: Lifetime Memberships are not transferable.

"NO SHOW"

POLICY: If a Lifetime Member is a "no-show," they may request a badge, program book, and pocket program.

DEATH

POLICY: When a Lifetime Member passes away their membership number may or may not be retired on a case-by-case basis. This decision is at the discretion of the Chair at the time of death. The decision to retire a number is permanent provided the registration system supports this functionality.

INVITATIONS TO ATTEND THE CONVENTION OR EVENT

POLICY: Invitation letters from the Chair to Lifetime Members shall be sent at least three months prior to the convention.

CHAIR MEETINGS

CONVENTION COMMITTEE MEETINGS

POLICY: Convention committee meetings are open to the public.

EXECUTIVE TEAM MEETINGS

POLICY: If held separately from the monthly ConCom meeting, Exec Team meetings (September – May) are open to the public, but portions may be closed to respect personal privacy. Executive Team meetings held during the summer months are by invitation only. The Chair makes the final decision on who attends meetings.

PROCEDURE: Those who wish to attend Executive Team meetings held during the summer months may contact the Chair for a meeting schedule.

POLICY: Exec Team Work Sessions are closed. Exceptions may be made by the Chair.

DISRUPTIVE BEHAVIOR DURING MEETINGS

POLICY: Disruptive behavior is not allowed at meetings. Disruptive behavior includes, but is not limited to, behavior which makes it hard to conduct official business at meetings or is interrupting other events (including non-convention- related events) which are happening at the location of the meeting.

PROCEDURE: When someone is causing a disruption at a meeting, the first response is to politely ask them to stop. The person to ask them to stop should be the person who is being disturbed, the person currently speaking, an Exec, or someone assigned the job by the Chair. If the person continues being disruptive, a three-step process will be followed:

1. The Exec of the person causing the disruption will talk to the person in private, letting them know what they are doing, and asking them to correct the behavior.

2. If the behavior continues at the same meeting, that staff member's Exec and the Personnel Director will talk to them in private about the behavior and explain to them how to correct the behavior. If the person is in the Personnel department, a different Exec will be asked to help with this.
3. If the behavior continues past step two above, the staff member's Exec and the Chair will talk to the person in private. If the Chair feels the behavior will continue, the Chair will ask the person to leave the meeting.

If a person is asked to leave a meeting, they are allowed to return to future meetings. The Chair may use their discretion to immediately jump to step 3 above if the behavior continues.

In the case of threatening or violent behavior, the person will be asked to leave immediately without using the three-step process above. If they do not leave, the situation will be handed off to the authorities. If the Chair feels that safety of the ConCom is at risk, the person will be asked not to attend future meetings.

If the person causing the disruption is a minor, the parent or guardian is responsible for the minor's behavior. The parent or guardian and minor will both be talked to together. If an action needs to be taken, it will be for both the minor and the parent or guardian.

If the person causing the disruption is not on the ConCom, then the Chair, Vice-Chair, or Personnel Director will be the Exec who handles the situation. If the Exec responsible for the person causing the disruption is not in attendance, the second in that department will be responsible for dealing with the situation. If neither are present, the Chair, Vice-Chair, or another assigned Exec will be designated to handle the situation.

OTHER ART SHOW NOTES

Acceptance Criteria for showing in the Art Show

POLICY: Artists are accepted on a first come, first serve basis, however, art must comply with our genre rules, and we reserve the right to reject an artist's application.

The Art Show uses a juried acceptance procedure for artists new to the show or who have not shown with us in the last five years. Norwescon reserves the right to waive the jury process for invited artists and recognized industry professionals.

Artists may submit images for consideration by sending a URL to images on the artist's website or by submitting five representative images as JPEG files to artshow@norwescon.org along with a short bio to tell us a little something about themselves.

The Art Show's mission is to support the artistic community and the jury process is not meant to be exclusionary, but to help bring in the best artists in the various categories and age groups in order to improve the art show experience for both our artists and attending membership.

Art Show Fees

Norwescon charges a flat fee per panel and table space. Norwescon collects a commission on all sales in the art show. There are additional fees for mail-in art and use of the print shop.

Please see the website and snapshot flyer for current fees and sales commission information

Art show cancelations and payment

The deadline for artist payment to be received is one month before the start of Norwescon. If payment is not received the artist's reservation will be canceled. Artists accepted during the last month must pay for their space by the Friday before the convention. Artists accepted during the week of Norwescon must pay for their space at registration before they will be allowed to hang their art.

Payment is accepted via the artist's login at the Norwescon web site. Checks are not an acceptable form of payment at the Convention.

Cancelations: The deadline to cancel space in the art show and receive a refund is the Friday before the convention. No refunds will be issued after this time.

CLUB AND CORPORATE TABLES

POLICY: Norwescon offers free table space to science, science fiction, fantasy, writing, and fan organizations that are owned and operated by fans whose activities are of direct interest to the fannish community. These tables, known as "Club Tables," are located in the hotel convention lobby and at other designated areas throughout the hotel.

POLICY: A limited amount of table space is made available to companies wishing to promote products that are of interest to the fannish community. These tables, known as "Corporate Tables," are a subset of the tables available for clubs.

PROCEDURE: Tables should be requested at least four weeks before the convention and shall be assigned by a designated "Club Table Liaison" before the convention.

Because the convention contracts with the hotel for the use of all public areas, tables must be requested through the convention. Clubs, organizations, and businesses may not use these tables or any other space in the public areas of the hotel without first receiving permission from the Club Table Liaison or the Hotel Liaison.

There are a limited number of tables and each organization is limited to a half table (more space may be allocated if space is available).

The Club Table Liaison assigns tables but groups may request to be placed in a specific area.

The Club Table Liaison, with guidance from the Exec Team, must first approve any item that cannot sit on the tabletop or within the limits of the table space. Any items restricted by other policies or rules of the convention are similarly restricted.

The group or company that the table is assigned to may not sublet, sell, or assign the table space. Sharing of table space is permitted (and encouraged) with permission from the Club Table Liaison.

Persons tending Club Table space must have a valid and current Norwescon membership badge prominently worn.

Persons tending Corporate Tables must have a valid convention membership badge prominently worn, and are requested to obtain their convention membership in product trade: One such membership shall be requested per half table, and shall be granted in compensation for donation of company's original product. Such memberships are considered to be free of charge, but the company must donate product whose fair-market-value is equal to or greater than the at-the-door membership rate. All product donated shall be used as awards for volunteers.

No goods, services, or products may be sold at a Club or Corporate Table, although promotional merchandise may be given away. Exception is made for the sale of memberships to clubs and conventions, fanzines published by the organization, and merchandise bearing the organization's logo to raise funds for said group.

No goods, services, or products may be sold at a Club or Corporate Table, nor may a Corporate Table take orders for delivery at a later time, although promotional merchandise may be given away.

The Chair can request Club Tables for groups or organizations who shall add to the convention or membership experience. If the request comes after the normal deadline, the Club Table Liaison shall try their best to find space for these tables.

The Club Table Liaison has authority to refuse any group, implementing this policy with the guidance of the Exec Team.

Violators of these rules shall lose the table for that year and may be refused a table in following years.

DEALERS' ROOM (VENDING POLICY)

POLICY: Vendors apply for space in the Dealers' Room. They may have one or two tables. Additional tables may be granted if there is trouble filling the Dealers' Room.

A membership is included with each table.

If a vendor is not selected for the Dealers' Room, they may request to be put on a waiting list. The subletting of tables is prohibited.

Unauthorized use of copyrighted and/or licensed material is prohibited.

Anyone needing electricity should bring their own extension cord. Vendors need to run extension cords and secure it with gaffers tape. Vendors should use electrical strips with circuit breakers, avoid using zip-cord extension cords, and avoid using multi-outlets that don't have a circuit breaker (e.g. Cube-tab).

If a display is blocking a security camera, emergency exits, or aisle ways the vendor involved shall be asked to adjust the display.

Vendors should check in at the Dealers' Room for unloading instructions.

It is mandatory that vendors be set up by the scheduled opening time and remain set up until Sunday at closing. Anyone not set up shall forfeit their table(s) without prior arrangements.

If for any reason a vendor must cancel their table(s), refunds shall be given until 30 days prior to the convention, provided the dealer's membership is resold. Cancellations shall be filled by category.

A Washington State business license is required. Proof is required prior to the convention.

Norwescon does not provide security during the set-up, tear-down, and open hours of the Dealers' Room. Norwescon shall provide adequate security for the Dealers' Room after it is closed and empty. Norwescon shall provide crowd control as needed.

These meetings are to report on the activities of their departments and keep the Convention Services Director informed. Who is invited to these meetings is at the discretion of the Convention Services Director. The Chair, Vice-Chair, Programming Director, and Special Events Director shall be invited but may decline as they see fit. Times for these meetings may vary but should occur later in the evening. If a nightly meeting is not or cannot be called due to circumstances it must be with the agreement of the Chair. Any other convention meetings are at the discretion of the Convention Services Director, with the agreement of the Chair.

The Convention Services Director is responsible for the daily meeting with the hotel. The purpose of these meetings is to go over the daily charges to the hotel, sign off on charges, and to discuss any issues as necessary. The Vice-Chair should also meet with the hotel during these meetings. The Convention Services Director may appoint a proxy in their place but one of these persons must be able to sign the contract (see "Business - Authorized Signatures") and have been pre-designated to do so with the hotel. It is suggested that the Business Director or Chair be an alternate. If the Convention Services Director is not present, any issues arising from these meetings must be reported to them as soon as possible. The Convention Services Director shall inform the Chair and/or Programming Director of issues that may arise. Contact with the hotel is not limited to just this meeting and is at the discretion of the Convention Services Director.

The Convention Services Director cannot make changes to the programming track without the express approval of the Programming Director and/or the Chair. If there is a disagreement, the Chair shall act as mediator and may make the final decision.

Any issues pertaining to invited guests of Norwescon must be discussed with the Programming Director. No invited guest of Norwescon may be removed from the convention without the express approval of the Chair.

The Convention Services Director may revoke a member or attendee's membership at their discretion for violation of Norwescon policy or upon the advice or direction from the hotel or law enforcement

personnel. The Convention Services Director must submit a written report to the Chair **within 24 hours of the incident**. In cases of refund eligibility, the Member Services Director must also be informed.

This policy is not intended to conflict with or otherwise change, update, and/or revoke the ability of the Chair to remove and/or revoke a member or attendee's membership.

There may be circumstances where immediate action must be taken in the removal of an invited guest or member/attendee when advice or direction comes from the hotel or law enforcement. In such cases, the Convention Services Director must act accordingly and the Chair must be informed as soon as possible. This is the only exception to the removal of guests or attendees.

ANNUAL STORAGE UNIT INVENTORY

POLICY: Each year the Business Department and Convention Services Department shall update the inventory of the storage units.

ONIONS AND ROSES PANEL AT THE CONVENTION

POLICY: On the last day of the convention, a panel shall be held for the purpose of hearing comments from the convention membership.

The panel participants shall consist of the Chair, Programming Director, Convention Services Director, Special Events Director, Hotel Liaison, and two scribes. A representative of the hotel shall be invited to participate as well. The Exec Team members are encouraged to attend. All notes taken by the scribes shall be given to the Secretary for inclusion in the final Onions and Roses report.

It is the responsibility of the Exec Team to review the Onions and Roses report prepared by the Secretary and present it to the ConCom.

BIG BLOCK MEETING

POLICY: The Big Block Meeting is held at least five months prior to the start of each Norwescon. The purpose of the meeting is to assign static rooms and establish times for transitions between complicated room sets. The attendees must include the Convention Services Director (as host), Programming Director, Special Events Director, and Membership Services Director. If a room change is proposed that shall affect a department (such as Personnel for Volunteers Room, or Membership Services for the Dealers' Room), the Exec Team member of that department must be consulted prior to making the change(s). The Convention Services Director shall ensure that other Exec Team members are contacted and agree with the change(s). If such a change is known ahead of the meeting, the affected Exec Team member shall be given the option to attend the Big Block Meeting. The Big Block Meeting may alternately be included as a portion of the Exec Retreat meeting rather than scheduled as a separate meeting.

EVENT SUMMARY MEETING

POLICY: The event summary meeting (Big Bad Book Meeting) is designed to coordinate the events and panels including the technical needs of the convention.

The meeting is chaired by the Convention Services Director.

The meeting date is typically 6-8 weeks from the convention. This is coordinated with Programming, Special Events, and Publications.

One binder of the event summary sheets shall be provided to the hotel. Other binders shall be distributed as needed.

EMERGENCIES

POLICY: If an emergency occurs at the hotel during Norwescon, the Site Operations Department shall interface with the hotel and emergency personnel and give assistance as requested.

When informed of an emergency, Site Operations shall immediately contact the Convention Services Director or their designee in the Director's absence and request the Director attend to the emergency.

In an emergency, the Convention Services Director shall coordinate with emergency personnel.

In an emergency, ConCom staff shall not be expected to endanger themselves in dealing with said emergency.

The Chair shall be informed of the outcome of all emergencies as soon as conveniently possible.

GIFT BASKETS

POLICY: Norwescon's Convention Services Department may give gift baskets (flower arrangements, candy, etc.) to various hotel departments at the beginning of the convention and candy refills during the convention. Hotel departments may include: Engineering, Operators, Housemen, Banquets, Front Desk, Housekeeping, Sales/Convention Services, and General Manager.

ROOM PARTIES

POLICY: Open parties must be registered at the Convention Office. Any open party that is not registered shall be subject to closure.

A host must be listed for the party at the Convention Office and must remain at the party and sober. That person is responsible for the party and any incidents that occur there. If the party is serving alcohol, the host must be 21 or older.

Parties are restricted to the party areas. No alcohol may leave these areas.

If serving alcohol, the hosts are responsible for checking ID. Alcohol must be monitored. Persons under 21 may not have access to alcohol.

Noise must abate at 1 a.m. After that point, the host of the party must be sure the noise level stays within their rooms. Parties that do not reduce the noise level are subject to closure. The Site Operations Department must be aware of the current hotel policies regarding parties.

SITE OPERATIONS

POLICY: Prior to volunteering for one of these positions, volunteers must have taken either the extended training prior to the con or the abbreviated training at the con.

CLOAK ROOM AND LOST & FOUND

POLICY: Norwescon shall operate a Lost and Found department.

PROCEDURE: The Lost & Found is located Convention Security. If something is lost during the convention, members should check both with the convention's Lost & Found and with the hotel. If it does not turn up right away, members should check back on Sunday afternoon; sometimes things take a little while to be discovered and filter in.

Unclaimed articles left in the Lost & Found or Cloak Room after 4 p.m. on Sunday, will go into the hotel's Lost & Found or will go home with Norwescon's Lost & Found Manager.

Determination of where items will be placed will depend on their nature: luggage and like items will be left with the hotel's Lost & Found, miscellaneous objects and small items will remain with the Norwescon Lost & Found.

After the convention, inquiries about lost items can be made to info@norwescon.org or by physical mail to 100 Andover Park W, Suite 150-165, Tukwila, WA 98188. Inquiries should also be made with the hotel. Lost items will be kept until July 1 of the convention year. After that date, any unclaimed items will be auctioned at the Volunteer Picnic, with the proceeds going to Norwescon.

Programming

PROGRAMMING DIRECTOR'S RESPONSIBILITIES

The Programming Director must consider themselves on 24-hour duty. The name of this category shall not be advertised and shall be used at the discretion of the Programming Director.

Anyone attending as an Honored Professional may be advertised as coming to the convention.

An Honored Professional should be well-known and have made a significant contribution in their field.

A small gift basket, or other special acknowledgement, may be presented. It shall be offered on an individual case-by-case basis.

other marker to indicate their status as a panelist), access to the Green Room, and invitations to pro-only events. Their photo and bio may be included in the Program Book, and they may be listed on the Norwescon website. In return, pros are asked to be on no less than four hours of panel programming, with the goal of six to eight hours.

Attending Pro and Guest of Pro memberships are extended for a specific convention only and may not be carried forward to the next year.

Day Pass Pro: An attending pro who will only be on one or two hours of panels. A Day Pass Pro will receive a free one-day membership for the day of their panel(s), which can be upgraded to a full weekend membership as any other reduced-rate membership. This person shall receive a "panelist" ribbon for their badge (or other marker to indicate their status as a panelist), have access to the Green Room, and be invited to pro-only events.

They may be included in the Program Book, space permitting.

P.K. Dick Award Nominee: Any of the P.K. Dick Award nominees that come to Norwescon shall receive their membership, a membership for an accompanying guest, and one night's accommodations. If they choose to participate in programming, they will be offered a reading slot and space on panels as appropriate.

GIFT BASKETS

POLICY: Norwescon's Programming Department shall give individual GoH Gift Baskets filled with items appropriate for each guest (flowers, candy, etc). These baskets shall be delivered by Guest Relations prior to GoH check-in.

GUESTS OF HONOR

SELECTION COMMITTEE

PURPOSE: The Guest of Honor Selection Committee, which is elected before June 1, is charged with the selection of guests and theme for the convention following the upcoming year (i.e. the committee that was elected after Norwescon 25 selected the guests for Norwescon 27).

INPUT: Input to the Guest of Honor Selection Committee is accepted from all ConCom and general members.

Additionally, guests that are invited but decline for the specific year may be secured for subsequent conventions at this time (i.e. if an author says, "I can't this year", Norwescon can then ask "How about next year?").

PROCEDURE: Each member of the Guest of Honor Selection Committee shall compile and submit a list of potential guests to all other members of the Selection Committee by November

15. The Committee shall meet, in a manner unanimously agreed upon by the committee, to discuss and rank a minimum of three candidates for the positions of Writer GoH, Artist GoH, Science GoH, and Spotlight Publisher. Other Guests, such as Fan GoH, Special Guest, or Toastmaster, may also be considered. All sincere efforts must be made to secure a person for that position. If guests are to be substituted or additional ranking must be done, the Guest of Honor Selection Committee must meet again.

CONFIDENTIALITY: GoH Selection Meetings are closed and the list is kept secret. This is due to respect, privacy, security, professionalism, and flexibility.

LETTERS OF INVITATION

POLICY: Letters to the first-ranked candidate for each of the positions shall be sent, when possible, by February 1 of the year prior to the convention. Each letter must contain the calendar year of the convention that they are being invited for and information as to what is being offered to each Guest (type of airfare for how many people, how many hotel room nights, shipping of artwork, that an article and photo of them shall be published in the program book, use of their name in publicity, and other pertinent details).

RESPONSE: Each guest candidate shall be given a minimum of two weeks, but no more than four weeks, to respond to the invitation. If they have not responded in four weeks, further efforts shall be made to contact that person. If the candidate turns down the offer or does not respond, the next-ranked candidate shall be sent a letter offering that guest position. Every effort shall be made to have each guest position filled one week prior to the prior convention so that they may be announced at the appropriate time and disseminated through convention publications. This notification should be done prior to Closing Ceremonies (announcing guests for Norwescon 26 at Norwescon 25) or earlier if possible.

THEME: Every effort should be made to coordinate the theme with the Writer GoH. The Guest of Honor Selection Committee may decide to rank the Writer GoH candidates to match the theme, or to choose the theme after the Writer GoH has accepted the position.

SELECTION CRITERIA

GoH Qualifications:

Each nominee for a GoH category must meet the following requirements in order to be considered by the GoH Selection Committee. Two people may share a position if those two people are known for their combined work.

No person may be installed in the same category more than once within a ten-year period, with the exception of the Spotlight Publisher.

Whereas a person may be eligible and fill more than one category in subsequent years, no person shall hold two Guest of Honor positions in one year, nor shall they be a Guest of Honor, including Special Guest or Toastmaster, more than twice.

GoH Quantity:

Norwescon must have a Writer Guest of Honor and an Artist Guest of Honor each year. Norwescon shall have no less than three and no more than five Guests each year.

The Exec Team may make an exception for more than five Guest of Honor positions.

Writer GoH: To be nominated for this category, a writer must have been published in the Science Fiction/Fantasy field for a minimum of 10 years. They also must have won a major science fiction or fantasy writing award, such as the Hugo, Nebula, or Philip K. Dick Memorial Award, etc. Consideration may be given to an author who has gained the New York Times best-selling status multiple times.

Artist GoH: To be nominated for this category, an artist must be recognized in the world Science Fiction/Fantasy art community, have been published (book covers, posters, game cards, etc.), and won a significant science fiction or fantasy art award, such as the Chesley.

Science GoH: To be nominated for this category, a scientist must be recognized in the scientific community, have been published (scientific papers or doctoral thesis), and have meritorious standing in the scientific/academic community. This usually means they have won awards or been awarded a doctorate. Norwescon does not always have a Science Guest of Honor.

Fan GoH: To be nominated for this category, a fan must be recognized as a long-standing contributor to the SF/F world community. This person is usually from an area or community other than the northwest and would be someone who has not usually been able to attend Norwescon in the past. This selection is used to bring well-known fans from other areas of the country to honor them for their contribution to fandom as a whole. Norwescon does not always have a Fan GoH.

Spotlight Publisher: Each year Norwescon may choose to invite a publishing house of science fiction or fantasy to be the Norwescon Spotlight Publisher. The publisher shall be requested to select an individual to represent the publishing house at the convention. In addition to airfare, room nights, and memberships that the other Guests are offered, the Spotlight Publisher is also offered one free page of advertising in the program book. Norwescon does not always have a Spotlight Publisher.

Toastmaster: Norwescon may choose to invite an individual who is known to the science fiction and fantasy community and who is known as a good speaker to act as Toastmaster. Norwescon does not always have a Toastmaster.

Special Guest: The Guest of Honor Selection Committee may choose to invite a Special Guest. The individual should be known within the science fiction and fantasy community for their work in the SF/F field. Norwescon does not always have a Special Guest of Honor. There shall be no more than one Special Guest in any given year. The Exec Team may make an exception for more than one Special Guest position.

HONORARIUM

POLICY: Norwescon shall provide each Guest of Honor with a cash honorarium for the entire weekend. This shall help cover the cost of meals and incidentals the GoH and their guest may incur.

REPORTING TO THE COMMITTEE

POLICY: Committee members are briefed on who the Guests of Honor shall be and why they were selected. They are encouraged to read up on the guests' work before the convention. In addition, they shall be briefed on who the P. K. Dick Memorial Award nominees are and about the books nominated.

GENERAL PROGRAMMING PROCEDURE

STAGE ONE: PRO INVITATIONS

During Stage One, the Program Director decides on which content areas (tracks) will be included in that year's convention, and in what quantity (number of panel hours). Track leads are hired.

Track leads should be knowledgeable about the people and subject matter. Track leads are given access to a comprehensive list of people who have expressed interest in being panelists, along with the list of panelists from the previous few years. Track leads are also encouraged to recruit. Track leads then submit a ranked list of potential invitees to the Program Director. The Program Director or their designee then sends invitation emails to people selected to be panelists. As panelists decline, alternates are invited.

STAGE TWO: CONTENT GENERATION

During stage two, track leads confer with the invited panelists who have accepted, view the panel suggestions sent in through our webform, and look for ideas in other places. At the end of the content generation period, they submit to the program director a list of panel topics and descriptions roughly 50% larger than the number of hours allotted to their track. The Programming Director reviews those panel topics, and when satisfied, publishes the entire list of panels to all the accepted panelists. Panelists then choose around ten panels they would like to be on.

STAGE THREE: SCHEDULING

Track leads and the programming director and one assistant meet, either in person or via conference call to schedule each of the tracks. Placeholders should be put into the grid for each track to ensure that challenges (small rooms, early or late times) and benefits (rooms with media capability, prime times) are distributed evenly amongst the tracks, and not just snapped up by the first track to schedule. Generally, the track lead's objective will be to make the best panel – that is, to have the most suitable panelists for that topic, at the best time of day, in the correct size of the room. A second person prioritizes the panelists' schedules to make sure individuals have meal breaks, do not have more than two panels in a row, and to make sure that panelists have neither too many nor too few panels. A third person is in charge of the grid, and keeping the overall convention in mind – specifically to ensure that topic area conflicts do not happen and to ensure that we are utilizing spaces appropriately (example: making sure that the Harry Potter Costume panel is not at the same time as the Harry Potter Fanfic panel; if a popular panel is scheduled into a smaller room, swap that panel with one that's in a larger room at the same time).

After the panels are scheduled, individual preliminary schedules should be sent to all panelists.

After the Event Summary meeting (Big Bad Book), the entire schedule of programming, including Special Events and other departments' scheduled events (Art Show/Charity Auction, for example) are sent to the Publications Department for editing and inclusion in the program materials. A printable version of the grid is also sent at that time.

As panelists need to revise their schedules or cancel entirely, adjustments are sent to both the convention services team and publications.

STAGE MANAGEMENT

Stage Management shall give panelists timely notice that their panel time is ending and open the panel doors at the end of the panels. Stage Management will also put out panel feedback sheets each day in the panel rooms, check that the clocks are reporting the correct time, and assist as necessary with quick set changes, like moving a single table on or off a stage.

GUEST OF HONOR LIAISON(S)

GoH Liaisons provide support as needed to our Guests. This may include tasks such as escorting them to their panels, making sure they have appropriate pens for autographs, or simply getting them a beverage when requested. Each guest and their liaison will decide the level of assistance they require.

Personnel

EXPECTATIONS

CONCOM MEMBERS

POLICY: It is the responsibility of the hiring Exec Team member to recommend that each ConCom member review the Norwescon Bylaws and Policies/Procedures, and to refer them to the Secretary for the location of the electronic version. It is expected that ConCom members read these within a couple of weeks of joining each year's ConCom.

ALL VOLUNTEERS

POLICIES: All volunteers during the convention must be members of the current convention.

Volunteers must not be under the influence of any substance that shall impair judgment while on duty.

Costumes worn on duty are at the discretion of the appropriate Executive and Department head.

Costumes worn on duty should not obscure identification of the individual and should be appropriate to the family friendly atmosphere of the work being performed. Costumes must not impede the ability to perform con responsibilities, where "on duty" is defined as being actively engaged in performing official duties and/or representing the Norwescon staff. Executives and Department heads may grant exceptions based on the function being performed.

CONVENTION LOUNGE

POLICY: Norwescon's Convention Lounge is dry (non-alcoholic).

JOB DESCRIPTIONS

POLICY: It is recommended that all ConCom and volunteer positions have job descriptions. Job descriptions should be reviewed and updated by the October ConCom meeting. It is the responsibility of each Exec to supply this information for all positions in their department to the Personnel director.

RECRUITMENT / TRAINING / LEADERSHIP

POLICY: Everyone in a leadership position not already addressed in the by-laws is recommended to have at least one assistant in training to take over that position.

REMOVAL OF A CONVENTION COMMITTEE MEMBER

POLICY: The removal of a ConCom Member must be performed with the utmost discretion and sensitivity to that individual. Cause for such removal may include, but not be limited to, financial malfeasance, deliberate abrogation of the bylaws, flagrant disregard of a member's safety, dereliction of duty (which may include but not be limited to neglect of job responsibilities), and other major infractions.

The removal of any ConCom member must be reviewed and approved by the appropriate Exec Team member prior to the removal of said member, and in consultation with the Personnel Director. If the Personnel Director is unable to perform this function due to conflict of interest, the Vice-Chair shall

act in their place. If the Vice-Chair is unable to perform this function due to conflict of interest, other members of the Exec Team may be used.

The ConCom member has the right to appeal the decision to the Chair, who shall then review the circumstances and, with discussion with the appropriate Exec Team member and Personnel Director, come to a final decision.

VOLUNTEERS

CHECK-IN FOR WALK-IN VOLUNTEERS

POLICY: Volunteers need to register with the Volunteers Office and verify that the Volunteers Office has at least their correct name and current convention badge number in order to be eligible for any volunteer prizes. Legal names are requested for check-in. The Personnel Department Director may make exceptions on a case-by-case basis.

TEEN VOLUNTEERS

DEFINITION: Teen Volunteers are volunteers between the ages of 14 and 17.

POLICY: Per Washington State Labor and Industry standards, teenagers are permitted to work the following: 14-15 year-olds may work three hours a day M-F, eight hours a day Sat-Sun, with a total of 16 hours per week allowed. 16-17 year-olds may work four hours a day M-Thurs, eight hours a day F-Sun with a total of 20 hours per week allowed.

Due to child labor restrictions, teenagers are not allowed to do any more of the physically straining or dangerous jobs around the convention.

Jobs should be appropriate to the age/size/skill of the teen. Teens shall not be allowed to lift or carry large or heavy objects. Teens should not work on electrical equipment except under adult supervision. Teens standing door watch should do so in pairs, with an adult volunteer within eyesight.

VOLUNTEERS WITH CHILDREN

POLICY: Certain jobs are not reasonable for volunteers who have a child age 12 or under with them: Site Operations, food preparation, tech set-up for the Masquerade & dances, etc.

Exceptions may be allowed at the discretion of the appropriate department head.

VOLUNTEER REWARDS

POLICY: Volunteers logging 30 hours of volunteer time from Wednesday through Monday of the convention are eligible for a discounted membership to the next convention (e.g. at Norwescon 31 you work toward a discount for Norwescon 32). Hours that are counted as double for volunteer awards shall be counted as single hours for the purpose of the discount. The discounted membership rate is the minimum staff rate, plus \$5, for that year. This amount cannot be reduced by any other discounts.

This membership is non-transferable.

This membership is available for pre-registration only.

The Personnel Director may propose special membership rates for clubs and groups of volunteers.

Special Events

DEFINITION

What is a Special Event? Special Events are events at the convention which require a large amount of resources. These resources may include staff, volunteers, equipment, setup time, space, or money. The Chair, Special Events Director, and Programming Director shall work together to figure out which events belong in Special Events or Programming. If they cannot reach a mutual decision, then the Chair has the final decision to which department the event shall be assigned.

What is considered a Special Event may change from year to year. The exact same special events should not happen every year. We should be listening to feedback from our membership on what is popular and be looking for new events to be added each year. If a Special Event is no longer popular it should be retired, until someone can come up with a way to make it “special” again.

WHAT MAKES AN EVENT A SPECIAL EVENT

GUIDELINES - The following guidelines should be used as a reference point for deciding what events should be considered a special event.

- Events which need multiple ConCom/staff members.
- Events which need a large number of onsite volunteers.
- Events which need a large amount of pre-convention prep time.
- Events which need a large amount of light, sound, or video equipment.
- Events which need specialty equipment (examples: Lazer Tag or Casino).
- Events which need special decorations.
- Events which happen multiple times during the convention weekend.
- Events which run more than three hours.
- Events which need a large amount of function space for extended periods.
- Events which need unusual room setups by the hotel.
- Events that only happen every couple of years.

CONVENTION THEME

POLICY: Special Events should look to see where they can incorporate the convention’s theme into their events. Not every theme shall work for every event, so don’t try and force the theme if it doesn’t fit.

EXAMPLES OF SPECIAL EVENTS

- Casino
- Lazer tag
- Midnight Movies
- Fannish Fashion Shows

- Demonstrations

PERMANENT SPECIAL EVENTS

POLICY: Special Events should promote change and not necessarily be the same from year to year. There are some recurring events that happen every year, for example:

- Dances
- Masquerade
- Games

PROCEDURE: For the permanent events we should look at ways of keeping them innovative. This could be as simple as different decorations, themes, or MCs and DJs.

GUESTS OF HONOR

Special Events normally do not include Guests of Honor.

POLICY: If a Special Event wants to use one of the GoHs, then they need to coordinate with the Programming Director.

LONG TERM PLANNING

PROCEDURE: Looking toward the future: some Special Events might take more than one year to plan.

As there is no guarantee that the same Special Event Director shall be around when the event is scheduled to happen, the Special Events Director needs to work with the Exec Team so that everyone knows what is planned.

VIDEO OF THE MASQUERADE

POLICY: Norwescon may allow an independent contractor or professional company to edit and produce a quality video to sell to interested parties.

PROCEDURE: Norwescon staff may work with the editors to ensure that the end product is an acceptable representation of Masquerade events. Norwescon shall assist in the advertising and promotion of the selling of the video by placing advertisements in the Daily 'Zine with an order form, placing order form flyers at approved distribution points around the convention area, and/or including an order form flyer(s) or advertisement in the Post-Con Report and/or website. The producer shall provide one copy of the video and/or DVD, free of charge, for the Norwescon Archives.

Norwescon is not liable for funds collected for any Norwescon masquerade videos not delivered on by the independent contractor or professional company.

SAMPLE CHECK REQUEST FORM

FILLING OUT A "REQUEST FOR CHECK" FORM

Check Request Form Sections:

___ OF If, for a check, you need more than the five item lines provided to list your purchases, fill out two or more check requests to document your purchases. So we can tell how many request forms should be present to provide a correct total for your check, enter the sequential number of the request on the first blank line, and the total number of requests you filled out on the second blank line. I.e. "2 of 5", would be the 2nd check request of a total of 5 submitted, to receive a check covering all the purchases listed on all 5 of the check requests.

PAYABLE TO: The complete name of the person or company you wish to cash the check. This line must be filled out on each request form if you use more than one form for a check.

ADDRESS: The complete mailing address for the person or company. This needs to be done each time a check request is submitted for the person or company, even though previous checks may have been written for them. When using multiple check request sheets for a single check the address need only be on the first request sheet.

DATE: The date you gave the check request to the Business Department. Note: The check request needs to have an Approval Signature in the "Approved by:" block before it is given to the Business Department. The 'approver' may want to date their signature in the same block if the date the request is given to the Business Department will be different. The "approver" must be the Exec in charge of the budget lines listed or the Chair in the absence of that Exec if necessary.

CONVENTION: The notation for the current convention, i.e. '28' or 'NWC28'.

ITEM: A short, concise, description of what the dollar amount you entered on the same line represents. If you need to use more than one item line, then the information for the 'Dept.', 'Acct.', and 'Amount' blocks needs to be entered on the last line you used to describe the item. Note: Original receipts must be submitted along with the check requests. If you do not have the original receipts, discuss options with your Department Head before submitting a check request.

DEPT.: The department description from the Org List, to identify where the purchased items will be used.

ACCT.: The account code identifies the budget line item number where the departmental budget will be charged for the purchase. The Exec in charge of that budget line will make this entry.

AMOUNT: The cost of the item(s) described in the 'ITEM' block(s). This amount will include tax.

PREPARED BY: The name of the person initiating the Check Request, or the person who filled it out. If the signature cannot be read, the person may be asked to print their name along with the signature.

APPROVED BY: Check Requests must be approved by the Exec Team member of the person who prepared the Check Request. In the case of an Exec Team member being the preparer, the Check Request will be approved by the Chair. The person signing approval may date their signature in the

approval block if the approval date will be different than the date at the top of the form (which identifies when the form is accepted by the Business Department).

TOTAL: The total dollar amount of all purchases for the Check Request or set of multiple Check Requests. In the case of a set of multiple Check Requests, only the last Check Request in the set will have a 'Total' dollar amount entered. No entries of any kind are to be made in the 'Total' blocks of the other Check Requests in the set.

Check Request Paper Flow: The filled-out check request, plus original receipt(s), is given to the persons Exec Team member for an approval signature. If an Exec Team member is the requestor, then the Chair will give the approval signature. The form is then given to the Business Dept. for a budget review. If there are no questions, the Treasurer will generate the check as the payment situation dictates. The check will either be delivered to the requestor or mailed to the address on the check request.

Check Request Email Flow: If a check request must be submitted by email, the persons Exec Team Member will always be the requestor of record. All of the required check request information normally put on the check request form will be included in an email that will be sent to the Business Dept. Any format may be used for the email: outline or conversational text, as long as all the required information is easily recognized and understandable. O If there are no questions, the check will be generated and sent out according to the delivery instructions that will have been stated in the email. At the next regular ConCom meeting all the normal paperwork for the transaction will be presented to the Business Dept. They will review against the email for accuracy.
