A little confused by our virtual platforms this year? Nothing to worry about!

We have a [Norwescon 43 Help wiki](#) that will be continually updated as we find and smooth over any areas of friction. This will often be the best place to start!

This year, Norwescon is proud to offer simultaneous **American Sign Language interpretation** for selected panels through our ASL Twitch at <https://buff.ly/3fspXqt>

Here is a schedule of events which we are planning to feature live translation:

Saturday

Interview with Spotlight Publisher Representative Claire Eddy, 1–2 p.m.

Interview with Jacqueline Carey, 5–6 p.m.
